

MAISON JUSSIAUME

★ HANDCRAFTED SPARKLING ★

*“Freshness, elegance, and finesse
in every bottle*

Maison Jussiaume specializes in the production of traditional sparkling wine. Every bottle of MJ wine is entirely handcrafted following the time-honored and demanding Champenoise method of production.

There are no shortcuts, precision is essential, wisdom is a prerequisite, but at the core of it all, passion drives the labor-intensive process.

100% locally sourced grapes are selected specifically for balance quality, a fundamental necessity in producing exceptional sparkling wine.

Winemaker Jean-Michel Jussiaume inherited his passion for the art of winemaking on his family’s estate in France, and his attention to detail and rigorous hands-on approach are evident, in every bottle, of each limited release, from the very first sip.

OEIL DE PERDRIX ROSE 2021

Oeil de Perdrix Rosé - “Eye of a Partridge” is a our newest handcrafted Cuvée - a very limited release, made from a combination of Pinot Noir and Chardonnay grapes, blended & fermented together throughout the Méthode Champenoise process for the Fresh & Bright Style you expect from every glass of MJ Sparkling Wine.
